Libreria con fissaggio a parete, a soffitto o sospeso.

Si tratta di un sistema di arredo modulare versatile, ideale per arredare l'ingresso, il soggiorno, lo studio o la cucina. E' costituito da spalle in alluminio realizzabili su misura fino a 34 cm di profondità e da mensole posizionabili liberamente sia nel numero, sia all'altezza desiderata. Infatti la particolare struttura delle spalle prive di fori consente l'aggancio delle mensole a qualsiasi altezza, con la possibilità di integrare, nella stessa composizione, mensole di differenti misure e materiali dando vita a soluzioni originali.

Spalle: in alluminio nero o verniciato. Opzionale illuminazione led.

Piani: in melaminico, in legno laccato, in cristallo, in lamiera di alluminio. Barra porta abiti per piani in melaminico.

Contenitori: pensili in legno laccato con anta ribalta. Fissaggio a muro indipendente dalla libreria. Pensili in metallo a giorno.

Bookcase with wall, ceiling or suspended fixing.

It is a versatile modular system, ideal for furnishing the entrance hall, living room, studio or kitchen. It is made up of aluminum structures that can be realized in custom height up to 34 cm of depth and by shelves that can be positioned freely both in number and at the desired height. Infact, the particular structure of the aluminum uprights without holes allows the brackets to be hooked at any height with the possibility of integrating, in the same composition, shelves of different sizes and materials, so giving life to original and customized solutions.

Structure: black or enamelled aluminium. Opzionale led lighting.

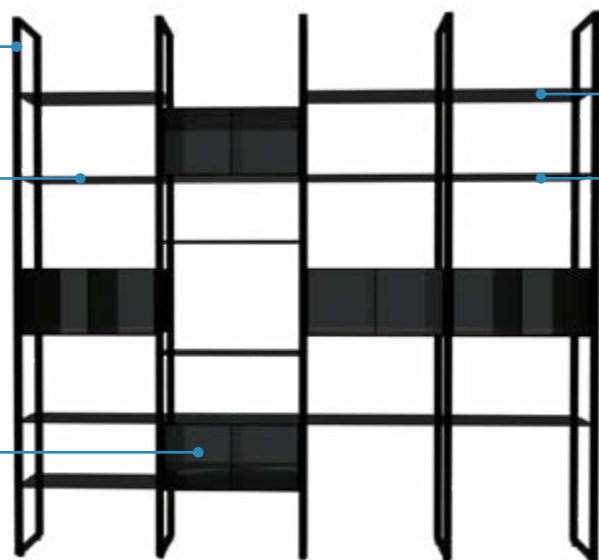

Top: melamine/lacquered wood/glass/enamelled aluminium.

Optional clothes stand for wood tops. Hanging container: lacquered wood with pull out opening door. The fixing of the container elements is on the wall, independent from the bookcase. Suspended enamelled metal container.
